Document Submittal Title: Cosmoplast Industrial Co. Vendor for Pipes and Fittings.

Design phase: NA, COMMENTS - MEP DEPARTMENT

No.	Contractor's Document Reference	Comments	Contractual Doc. Ref.
1	All Documents	The submitted supplier (Cosmoplast Industrial Co.) is a national manufacturer having a wide range of pipeline systems products.	As Referred
2	All Documents	The approval on the manufacturer does not mean by all means an approval on the product(s). As for products, there are different types of piping systems for different facilities in the project, each having its specific material requirements. Therefore, the contractor is required to submit the appropriate material for the proper application in a separate submittal as commented before in previous submittals.	As Referred
